Invitation to our *Open Day*

8 High Wycombe Business Park, Genoa Way,
High Wycombe, Bucks HP11 1NY

Product Proving Centre (PPC)

CIS PPC, Grob & Edgecam would like to invite you to a live machining seminar demonstrating best practice for challenging Aerospace, Motorsport and medical component parts.

Join us for festive refreshments on
Thursday 7th December at 10.00am to 4.00pm

The PPC is a fully equipped CAD/CAM and CNC machining facility used exclusively for application engineering and programming on all Axis machines using the latest tooling and cutting strategies.

GROB **edgecam**

Contact us at the PPC to register
