## CIS PPC Technology Day

### Productivity Proving Centre (PPC)

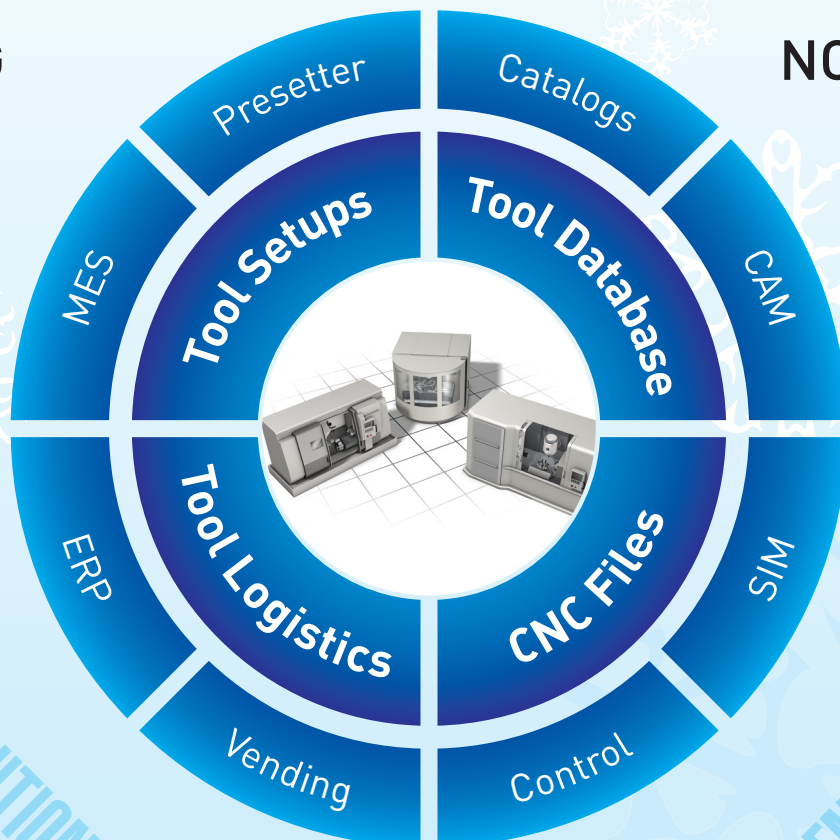

CIS PPC, and technical partners would like to invite you to a  
live machining seminar - demonstrating  
High Efficiency Machining (HEM) in Titanium & Stainless Steel achieving  
maximum productivity in difficult to machine materials

**Thursday 5th December, 10am to 4pm**

Unit 8 High Wycombe Business Park  
Genoa Way High Wycombe Bucks HP11 1NY

The PPC is a fully equipped CAD/CAM and CNC machining facility  
used exclusively by our engineers for  
application engineering & programming on all Axis machines  
using the latest cutting tools & cutting strategies.
